# final thoughts

As you execute your new purpose driven plan and strategies, here's some nuggets for the road.

Stop spiritualizing failure as God not wanting you to do something. Breaking, crushing, and pushing is a theme we see throughout scripture.

I've made peace with the fact that failing is inevitable.

EVERYTHING I've ever accomplished started with an idea. Some simple scribbles on the page of a notebook. You might have pages of success tucked away somewhere. Journals full with victory + deliverance. What we need isn't money, or opportunity, its ACTION + CONSISTENCY. The ability to be crushed and still continue.

May God grant you the grace to be a finisher and may He break every historical and generational pattern of quitting, sabotaging and throwing in the towel, in Jesus name!

# hello!

I'm Nicole, Minister + The Purpose Coach.

Think, an episode of Iyana Vanzat's Help Fix My Life, meets Sunday morning service with Bishop T.D. Jakes lol.

I help **Christian** women to demystify their life's **purpose** so they can live with **clarity**, consistency, confidence, and take **ACTION!**

I love God passionately, anything rose gold, stationery makes my whole face light up, thrift store shopping is how I unwind, and I think cotton candy and funnel cakes should be way more accessible.

Maybe you saw me speaking, or preaching at a church, or an event, heard about me from a friend or, follow me on social media. Whatever lead you here, please don't come this far and turn back. It may seem casual, or even accidental, but I believe it's because you know it's high time you stop second-guessing yourself + God is gently nudging you into ACTION. Let's figure it out together.
