## I DARE TO DECLARE

I am made in the image of God my Heavenly Father.

Therefore, purpose is in me and I will manifest it in everything my hands find to do. Where I am is not who I am, and I will not reduce my life's purpose to a time, place, or single life event. I commit to the process of discovering and becoming the best version of myself because she will attract wealth, health, peace, prosperity, increase, and favour. This is my purpose and I am aligning with it today.

# ABOUT YOUR COACH

NICOLE O. SALMON

PURPOSE ALIGNMENT COACH

"BE YOU.

IT'S THE MOST COURAGEOUS THING YOU CAN DO!"

Over the past decade, my personal ministry has taken me across the country and I am humbled each time I am given the opportunity to minister as a conference speaker preacher, or workshop facilitator.

Before stepping into full-time-purpose and launching my own coaching firm, I worked in the not-for profit sector for over 15 years, specifically with organizations serving communities experiencing marginality. After many years of front line work God opened the door for me to move into a management role providing oversight to a portfolio of several diversely funded skills development programs.

As a certified life skills coach and a personality dimensions level III trainer, my reflective coaching techniques, coupled with my one-to-one and group facilitation sessions, has led scores of professionals and organizations alike to a place of lasting success and high-level efficiency. Due to my unique combination of expertise, I am blessed to have emerged as a sought after keynote speaker and panelist in many corporate circles.

I have a family. And they are my first ministry. I am a proud mother of five (that wasn't a typo lol). Four ogers and one princess. A beautiful, loud, and never dull blended family of seven. Together with my husband and partner in crime Evon, we live a full and exciting life in Brampton, Ontario.
